

Health Savings Account Overview

The KeyBank Health Savings Account (HSA) gives you flexibility while helping you managing rising healthcare costs.

The KeyBank HSA is an interest-bearing account that allows you to make tax-free withdrawals¹ to pay for trips to the doctor, filling prescriptions, or other healthcare-related expenses. Simply make contributions to your KeyBank HSA through payroll deductions, direct deposit, deposits at an KeyBank branch, or by transferring funds from another account in online banking. When you need to make withdrawals for qualified medical expenses², just use your KeyBank HSA checks or debit card or make payments or transfers using online banking and Key Bill Pay.

Contributions to your HSA

When you enroll in a high deductible health plan (HDHP) and open an HSA with KeyBank, your employer may contribute to your HSA. Your contributions, along with those of your employer, (combined) may add up to the amount of — but cannot exceed — the figures below.

The benefits of a KeyBank HSA

- Your tax-advantaged dollars grow and earn interest while in the account, and that interest earned is also tax advantaged.¹
- Your employer may opt to make contributions to your account.
- You can easily manage and track expenses and monitor your account activity through online banking.
- If you leave your job, relocate, or become unemployed, your KeyBank HSA account stays active and goes with you, so you may continue to withdraw funds from your account. (To make further contributions, however, you will need to remain enrolled in a HDHP.)
- Unlike that of flexible spending accounts, the money accrued in your account remains in your account and carries over year after year.
- You control the funds in your HSA.

What are the maximum contributions?

Plan Year	Individual Coverage	Family Coverage	Over 55 Catch-up
2025	\$4,300	\$8,550	\$1,000
2026	\$4,400	\$8,750	\$1,000

Contributing to your KeyBank HSA

Plan Year	Individual Coverage	
Branch	Current or prior year contribution	Prior year contributions must be made by the tax-filing deadline and require a signed deposit form
Online	Current or prior year contribution	Once enrolled in Key's online banking, you can transfer funds to your KeyHSA from another KeyBank deposit account or from another financial institution
ACH/Payroll	Current Year	Speak to your employer about your options
IRA	Trustee-to-trustee transfer	One-time transfer allowed from existing IRA
HSA	Rollover/Trustee transfer	Allowed one rollover per year; no limits on trustee-to-trustee transfers
